

# **WE ARE HIRING!**

**The Monacan Indian Nation is offering a remediation program to help children grades 1<sup>st</sup> thru 8<sup>th</sup> in reading, writing, and math. It will be open to all Monacan, Native American youth, and friends within Amherst and surrounding counties.**

**The program will run thru 2025 school year, twice a week for two and a half hours. The Monacan Indian Nation will hire 3 people: two teachers (one for reading/writing and one for math) and possibly one to two more depending on need.**

**If you are interested in these part-time employment opportunities submit your resume to [tribaloffice@monacannation.gov](mailto:tribaloffice@monacannation.gov) If you have questions or want more information call 434-942-4672.**

# Math Teacher - Full job description

The Monacan Indian Nation (MIN) is looking for a math teacher who can teach K- 12 students to work alongside a reading remediation teacher and a cultural instructor and a Program Assistant in an after-school remediation program thru a TEC-COVID Grant. The program will focus on improving the reading and math scores of Native children and friends in the community by offering experienced remediation instructors partnering with cultural teachers in a supportive environment over the summer months. The MIN is hoping to expand this program with the success of this grant and encourage the teachers to collaborate with parents and staff to strengthen the program. If you are interested in this part-time opportunity, please contact [tribaloffice@monacannation.gov](mailto:tribaloffice@monacannation.gov)

## Job Description

- Coach a group of no more than 4 to 8 K-12 school-aged children.
- Complete all student assessments and develop a proven math curriculum.
- Consult with staff, parents, and other teachers on a regular basis to develop and update learning plans, score assessments, provide feedback on curriculum, strategies to improve program, and the program discuss student's progress thru the program.
- Support the math remediation program by working with cultural trainers.
- Have at least two years of classroom teaching or at least 5 years math remediation experience with demonstrable improvement in students' math skills.
- Strong Technology Skills
- Creative and skillful teaching abilities
- Maintain all student records up to date including student attendance and parent contact info.
- Organization skills - Patience and flexibility
- Strong communication skills
- Ability to make class plan/curriculum independently following proven remediation curriculum.
- Prompt time management and strong attendance record.
- Must be willing to do a comprehensive background check and provide references.

## Required Experience

- Minimum 5-year experience math remediation teaching preferred.
- Must be an employed Math Teacher.

Job Types: Part-time, Contract

Pay: \$35.00 per hour

Schedule:

- Tuesday to Thursday 5:00pm to 7pm May 6<sup>th</sup> – Aug 30th

Work Location:

- Monacan Indian Nation's Main Office in the Tribal Hall

# Reading Teacher - Full job description

The Monacan Indian Nation (MIN) is looking for a Reading teacher who can teach K- 12 students to work alongside a math remediation teacher, a cultural instructor and a Program Assistant in a summer remediation program and serve as the Director for the program thru a TEC-COVID Grant. The program will focus on improving the reading and math scores of Native children and friends in the community by offering experienced remediation instructors partnering with cultural teachers in a supportive environment over the summer months. The MIN is hoping to expand this program with the success of this grant and encourage the teachers to collaborate with parents and staff to strengthen the program. If you are interested in this part-time opportunity, please contact [tribaloffice@monacannation.gov](mailto:tribaloffice@monacannation.gov)
