

PROGRAM UPDATES:

- We are currently serving 9 families and 20 children that are attending 7 licensed childcare centers. Our newest child was accepted into the program in February 2026.
- The newest licensed childcare center that we are partnering with is Caterpillar Clubhouse #4 located at 20106 Leesville Road Lynchburg, VA 24502
- Jasom attended the training called ASIST (Applied Suicide Intervention Skills Training). This was a 2-day in-person training that the Monacan Health Center partnered with Living Works to provide.
- Jason continued to attend monthly meetings with Region Ready as a member of the Family Council Family Committee to strengthen the system of individuals and organizations caring for and educating children ages birth to five.
- In December' the CCDF program informed our Childcare Providers and staff of a free training that FEMA offered to organizations, families, individuals, and communities to teach them preparedness and survival if a natural disaster happens in their communities.
- The CCDF program has purchased Native American alphabet books called "D is for Drum:" for our partnered childcare providers. This book will enhance culture in the classroom as well as prepare children who are entering pre-k and kindergarten.
